**Various Authors : Yoga: Its Various Aspects (A Symposium on Various Paths of Yoga)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yoga: Its Various Aspects (A Symposium on Various Paths of Yoga):

What is real yoga? Who is a yogi? Many such questions are answered in this collection of articles by monks and laymen alike. In this handy, pocket sized book one will find a surprising amount of information on the different

aspects of yoga. This is a good introduction to yogic philosophy. A Selection from the Table of Contents: Yoga and Alternate States of Consciousness Yoga and Tantra Yoga in Daily Life Yoga: Neuro-Physiological Basis Attainment of Yoga Yoga in Christian Mysticism Laya Yoga Dhyana Yoga and Jnana in Advaita
