3 of 3 people found the following review helpful. Once AgainBy C. R.I have been getting the Neil Somerville Chinese

Horoscope book every year for 20 years. It provides a nice overview on the year for each of the signs. If there is a better book out, I wish I knew of it, but this one is adequate for general auspices of the year. 1 of 1 people found the following review helpful. Surprise! Surprise! By Dinkydoright This is a fun book and I love that it's on Kindle because I can share the information with friends so easily. Well written and lots of fun. 3 of 3 people found the following review helpful. Excellent Read By Bayouceff Very well written. While not quiet as "in depth" as some of the other books I've read.. It definitely has alot of the pertient information that you will need for the upcoming year. I enjoyed it!

The year 2014 is the Chinese Year of the Horse what will this mean for you? This complete guide contains all the predictions you will need to take you into the year ahead a lively fast-paced year favouring ideas, innovation and personal growth. The ancient art of Chinese astrology, which predates the Western zodiac, is a detailed system of divination that has been in use in the Orient for thousands of years. The depth of its wisdom and the accuracy of its character analysis and prediction has caught the imagination of the Western world in recent years and led to a rapid rise in its popularity. This popular and enlightening bestselling guide now in its 27th year includes: Everything you need to know about the 12 signs of the Chinese zodiac. An explanation of the Five Elements: metal, water, wood, fire and earth, and which one governs your sign. Individual predictions to help you find love, luck and success. What the Year of the Horse has in store for you, your family, your loved ones and friends.

About the Author Neil Somerville has been writing the bestselling Your Chinese Horoscope series since 1987 and, as his readers have discovered, these are no ordinary Horoscope books. Although they do contain predictions they also give much encouraging advice and this is what attracted Neil to Chinese horoscopes so many years ago. They are a great indicator of trends to come and, once aware of these, it is possible to adapt and benefit from this knowledge.
